Voter Majority

41%  DEM - DEM

27%  REP - DEM

19%  REP - REP

13%  DEM - REP

Correlation of Kentucky intercounty work commuter flow and voter majority of counties. Dot symbols indicate the majority of registered voters. Graduated county symbology indicates the percentage of intercounty commuters going to either a majority Republican or majority Democrat (by registered voters) county. Bluer counties have an intercounty flow of workers to majority Democrat counties and redder counties have a flow to majority Republican counties.

Registered Voter Majority

 Democrat
 Republican

Commuter's Flow to County Majority
